Latin American Carbon Forum, Panama City  
24-26. June, 2009

# Content of the presentation

- Development of the CDM Bazaar
- Objectives of the CDM Bazaar
- How to navigate the CDM Bazaar

# Development of the CDM Bazaar

Was discussed at the 21st meeting for the Executive Board, as part of the CDM Management Plan, it was decided to;

*“Make publicly available relevant information, submitted to it for this purpose, on proposed CDM project activities in need of funding and on investors seeking opportunities, in order to assist in arranging funding of CDM project activities, as necessary”*

Part of the Nairobi Framework

Launched in September 2007

# Objective of the CDM Bazaar

- Facilitate the creation of an efficient and transparent global CDM market
- Reduce transaction costs in the CDM project cycle
- Cost – free virtual platform for actors in the carbon market
- It is not possible to trade CER's

# Profiles on the CDM Bazaar

## **Sellers section**

- **PIN, PDD, CER's**

## **Buyers section**

- **Particular type of CER's, sectors, countries, etc.**

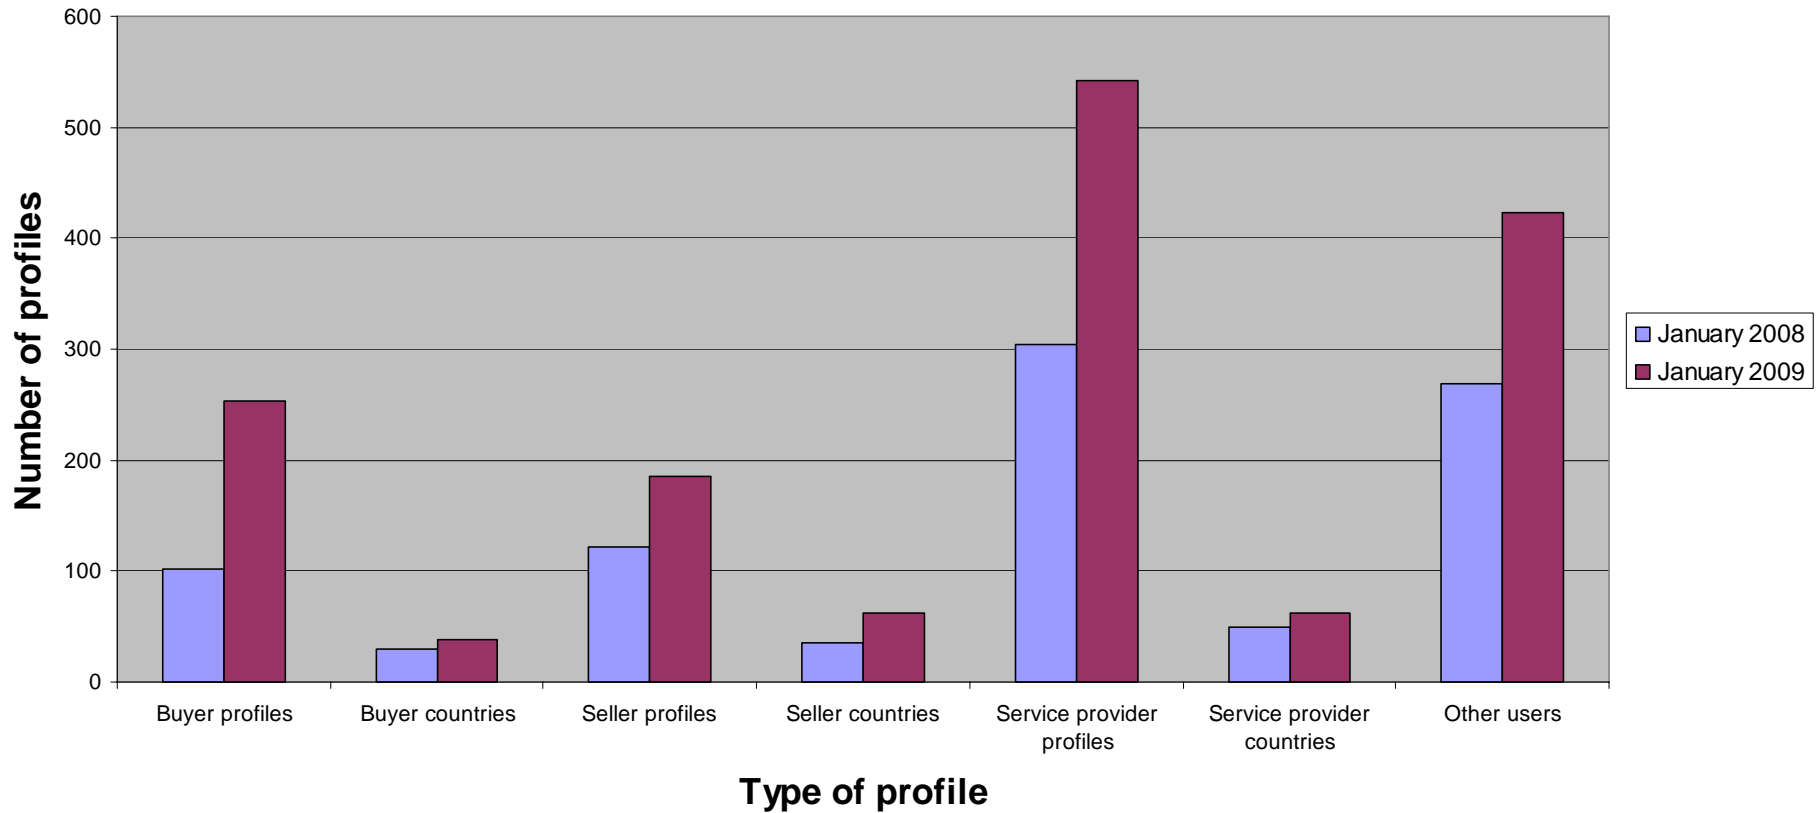

## **Service providers section**

- **Service or technologies**

## **Announcements**
